

Women In Trades & Technology (WITT) offers tuition-free, supportive programs that help survivors of violence begin a career in HVAC or Technology!

WITT programs support women, trans, non-binary, and Two-Spirit peoples who have been affected by gender-based violence with:

- * Training and Certification in Technology or the HVAC trade
- * Employment supports and resources
- * Trauma-informed wraparound supports

We have started recruitment for Winter 2025 cohort!
